

GOLDCREST ARCHERS

BEGINNERS COURSE

AN EXCLUSIVE OPPORTUNITY.

What's all this about a Beginners Course...??

- The course is a recognised Archery GB course and a certificate will be issued to those who pass all the safety requirements.
- Once completed the certificate can be presented to any archery club as proof that you have met the requirements for shooting safely, and if you meet all of the club's criteria, will be eligible to join.
- All equipment for the day will be provided.

What size are the Classes and how long will the course run...??

- Our Class only has 10 spaces, we feel this makes you feel as though you are receiving quality instruction, and also allows you to take on board the information at your own pace. The course gives the new archer not only basic instructions but some coaching hints too.

When is the course...??

The course will be held over ONE DAY; A 6 hour lesson

Saturday 9th January 2016
10am - 4pm
